

Honors Interview Format

Introduction

- Introduce yourself and the mission/goal of this project
- Send them the Figma link and let them get familiar with the prototype
- Ask them if we can record on zoom
- Ask them to screen share

Questions

1. Could you show us how you would search for Fall Term Brunch?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
2. Could you show us how you would register for the Fall Term Brunch event?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
3. Everything easy, people register is not that clear
4. Could you see what events you registered for?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
 - d. We t well, order flipped by time, filter by upcoming and get filter eorking
5. Could you navigate to notifications?
benefits if events registered for
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
 - d. Currently, we have the app notification settings turned on. However, do you prefer to have notifications in your app?
 - i. If so, what would you like to receive notifications on?

Have notifications good: prefer notifications on this your registered for, all that u want, push notifications in person and anything register for zoom links email would be better
6. You may go ahead and log out of the app and stop sharing your screen. We have some general questions we want to ask you now. ?
7. How would you rank your overall experience on a scale of 1-10 (1 is bad and 10 is great) in terms of:
 - a. Usability
 - b. Efficiency
 - c. Overall
8. Do you see yourself using this app in the future? Why or why not. Use it more often than check Monday mess but graduation more likely to read about

9. What did you like about this app?
10. Like register is up to
11. Like the icons
12. Default is sorting new is opposite more by times of events, favorite event times
13. Dark mode
14. Like gray over white
15. Like knowing how many people registered before hand
16. What are some things that we could improve?
17. Default sorting new is opposite more by time of the time
18. Are there any features that you expected to see in the prototype but did not?
19. Like them being diff colors but didn't notice before mentioning it
20. Have colors be more broad displine focus is green, it's repetitive right now, academic workshop and fun and split into smaller categories
21. Looks good
22. Anything else you'd like to say?
23. Good
