

## Honors Interview Format

### -Adrien Protzel

#### Introduction

- Introduce yourself and the mission/goal of this project
- Send them the Figma link and let them get familiar with the prototype
- Ask them if we can record on zoom
- Ask them to screen share

#### Questions

1. Could you show us how you would search for Fall Term Brunch?
  - a. Easy to find the event, it stuck out
  - b. Nice contrast color between events
  - c. Read title first
  - d. 10-20 secs from login
    - i. What went well/bad?
    - ii. Is there anything we can do to make this process easier/better?
    - iii. Record how much time it takes them (done after the interview)
2. Could you show us how you would register for the Fall Term Brunch event?
  - a. What went well/bad?
  - b. Is there anything we can do to make this process easier/better?
  - c. Record how much time it takes them (done after the interview)
3. Could you see what events you registered for?
  - a. Not super obvious register button, look for tabs below, on bottom bar to move to
    - i. What went well/bad?
    - ii. Is there anything we can do to make this process easier/better?
    - iii. Record how much time it takes them (done after the interview)
4. Filter for food
  - a. Easy, obvious tags on the event cards that they are food or whatever
5. Could you navigate to notifications?
  - a. Went straight to notifications button
  - b. Notifications only for those you registered for
  - c. Doesnt matter if notifications are on or off
    - i. What went well/bad?
    - ii. Is there anything we can do to make this process easier/better?
    - iii. Record how much time it takes them (done after the interview)
    - iv. Currently, we have the app notification settings turned on. However, do you prefer to have notifications in your app?
      1. If so, what would you like to receive notifications on?
6. See events on calendar
  - a. See all events on app
  - b. Dont take out of app

7. You may go ahead and log out of the app and stop sharing your screen. We have some general questions we want to ask you now.
  - a. Very easy, intuitive
  - b. Good placement
8. How would you rank your overall experience on a scale of 1-10 (1 is bad and 10 is great) in terms of: 8 :
  - a. Initially didnt see the registered tab
  - b. Doesnt like google calendar but thats personal
  - c. Shows filter options on home page instead of ALL (wouldn't notice) (different categories, events/internships/things)
    - i. Usability
    - ii. Efficiency
    - iii. Overall
  - d. Dont read monday message, the messages are repetitive:
  - e. see scholarships
  - f. See other things than just events
9. Do you see yourself using this app in the future? Why or why not.
  - a. Yes: try it out, replace monday message
10. What did you like about this app?
  - a. Likes new events at top
  - b. Simple
11. Colors
  - a. Doesnt like colors, looks dated
  - b. Mydegree before update (good...) modernize
    - i. Change greys, one color, events are single color
    - ii. Likes the light mode more
    - iii. Doesnt like events colors as much: different colors, just not these ones, maybe a little brighter
    - iv. Maybe its the font
    - v. Likes white font
    - vi. Likes old white version but needs different colors per event card
    - vii. Take out darker grey background of cards
12. What are some things that we could improve?
  - a. Dont like notifications:
  - b. Separate boxes look weird, separate by a line
13. Are there any features that you expected to see in the prototype but did not?
14. What would you like to see in profile / settings page
  - a. Email maybe not necessary
15. Anything else you'd like to say?
