

Honors Interview Format

Introduction

- Introduce yourself and the mission/goal of this project
- Send them the Figma link and let them get familiar with the prototype
- Ask them if we can record on zoom
- Ask them to screen share

Questions

1. Could you show us how you would search for Fall Term Brunch?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
2. Could you show us how you would register for the Fall Term Brunch event?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
3. Could you see what events you registered for?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
4. Could you navigate to notifications?
 - a. What went well/bad?
 - b. Is there anything we can do to make this process easier/better?
 - c. Record how much time it takes them (done after the interview)
 - d. Currently, we have the app notification settings turned on. However, do you prefer to have notifications in your app?
 - i. If so, what would you like to receive notifications on?
5. You may go ahead and log out of the app and stop sharing your screen. We have some general questions we want to ask you now.
6. How would you rank your overall experience on a scale of 1-10 (1 is bad and 10 is great) in terms of:
 - a. Usability
 - b. Efficiency
 - c. Overall
7. Do you see yourself using this app in the future? Why or why not.
8. What did you like about this app?
9. What are some things that we could improve?
10. Are there any features that you expected to see in the prototype but did not?
11. Anything else you'd like to say?
